

Student Safety Policy

Purpose:

The purpose of this policy is to ensure that the Nishtar Medical University provides a safe and secure environment for all students, and to outline the procedures and protocols in place to prevent, respond to, and manage incidents that may affect student safety.

Scope:

This policy applies to all students enrolled at the Nishtar Medical University, including undergraduate and graduate students, part-time and full-time students, and students participating in online or distance learning programs. This policy also applies to all Nishtar Medical University employees, contractors, and visitors who interact with students.

Responsibility:

The following persons are responsible for implementing and enforcing this policy:

- The Vice Chancellor for Student Affairs, who will oversee the development and implementation of student safety initiatives and programs.
- The Director of Campus Security, who will be responsible for ensuring that the Nishtar Medical University's campus security measures are adequate and effective.
- Deans and department heads, who will be responsible for ensuring that student safety protocols are followed within their respective colleges and departments.
- Faculty and staff members, who will be responsible for reporting any incidents or concerns related to student safety to the appropriate authorities.

Main Components:

1. Risk Assessment and Management: The Nishtar Medical University will conduct regular risk assessments to identify potential safety hazards and develop strategies to mitigate them.
2. Campus Security Measures: The Nishtar Medical University will maintain a safe and secure campus environment through the use of security cameras, emergency response systems, and regular security patrols.
3. Emergency Response Plan: The Nishtar Medical University will develop and regularly update an emergency response plan that outlines procedures for responding to incidents such as natural disasters, fires, and medical emergencies.
4. Student Safety Education and Awareness: The Nishtar Medical University will provide regular safety education and awareness programs for students, including information on topics such as personal safety, sexual assault prevention, and emergency response procedures.

Muz

5. Incident Reporting and Response: The Nishtar Medical University will establish a system for reporting incidents related to student safety, and will ensure that all incidents are thoroughly investigated and responded to in a timely and effective manner.
